

Celebrating 10 Years of the Q Fund
Thank you for bringing us so far!

*"To complete an undertaking such as this in this amount of time is unheard of in Africa." -
Board member and Northrise University President,
Dr. Moffat Zimba on the success of Chimoza*

As an international community, united together, we have come far, and without you it would not have been possible. The Q Fund thanks each and every one of you who have supported us with your contributions, your faith, your love and your encouragements.

Thank you, thank you, thank you!

GREAT PROGRESS AT CHIMOZA ZAMBIA - A WELL DESERVED A+!

In 2009 your funds, encouragement and support allowed us to expand the community school at Chimoza to include three much-needed kindergarten classes; we now support all classes up to 9th grade. We now have thirteen classrooms; with an outstanding teacher-to-student ratio that is the envy of the local government schools (one to thirty at chimoza, one to eighty elsewhere) . We educate 500 students, with a staff of highly qualified teachers , and a head teacher that is an outstanding professional in his field.

I am also proud to say that the local community is completely supportive of the school and our efforts; the families bake food for the children (often the only meal students will receive in a day), provide construction labor for the facilities, and they insist that their children attend a full day from 7:15 in the morning to 4:30 in the afternoon. This is unprecedented, where the norm is for children to be taken out of schools to work the fields, and the school day is over at 11:30 a.m.!

94% OF CHIMOZA CHILDREN GRADUATE

There can be no greater joy than to see the pride with which the children from each grade at Chimoza graduate at the end of the school year. Congratulations to each and every one of them!

BREAKING NEWS ... NGERERIT KENYA

As of this month funds have come in to complete the job at hand at Ngererit School, building beautiful new classrooms for over 2500 students!! Thank you to our sponsors for this wonderful expansion of the Ngererit facilities

PLEASE HELP US FINISH THE JOB

I feel that we together have reached the top of the mountain, a place almost inconceivable only a few years ago, and now we can see clearly the way ahead. There is still construction and renovation to be done, teacher salaries to be paid, food and clothing to be bought, and community gardens to be tilled and planted.

Help us finish the job that together, hand in hand, we began. I believe the greatest gift we can give today, is what we value most for our own children: a quality education that honors their individuality, and allows each to become that which they were born to be, but also insuring that same opportunity for children who would otherwise have none. It is my deepest belief that when impoverished children do not have access to education, our shared future is at stake. We are one world, one people, one heartbeat. When this notion manifests, there will be peace and goodwill on earth.

The Q Fund would like to express our sincere gratitude for any and all generosity. Please, if you would like us to publically recognize you or your foundation, work or other we will be happy to do that in our next newsletter and on our website. Also, if you have a special project in mind (for example, water, hygiene and sanitation, food

program, school administrative, uniforms, construction) we will ensure that your funds are so directed and will recognize the gift. *"It is in the gifting that our generosity is blessed, and multiplies."*

100% GOES TO ON-THE-GROUND PROJECTS

Every penny of your public donations directly to the school development at Chimoza community School in Zambia and Ngererit School in the Rift Valley, Kenya; your money goes to support building construction, the children, families and teachers in those communities. We are blessed to have a Private Foundation who provides for all of our administrative costs, allowing us to channel your donations directly to on-the-ground projects.

Please forward this newsletter to your friends and colleagues. Have them visit our [website](#), and join up as fans of [our FaceBook page](#). Help us to grow our community!

*Wishing you peace and joy in the coming season,
and throughout the New Year!!*

Chellie Kew, and the entire team
